

## CAIN VINEYARD & WINERY: THE DELIGHTFUL CAIN CUVÉE

---

Stacie Briscoe

Cain Vineyard & Winery works hard to distinguish the Cain Cuvée series from typical Napa Valley red blends. Having worked with the same key growers for the past ten years, the Cain Cuvée is a reliably balanced blend combining an elegant body and hints of fruit with the depth and complexity expected when drinking fine wine. The vineyards, grapes, and growers may be the same each year, but each year vineyards mature, grapes evolve, and wine makers experiment. And with a unique blend mix of Merlot, Cabernet Sauvignon, Cabernet Franc, and Petit Verdot, each bottle contains its own unique qualities. Celebrating the next in line for this combination varietal-vintage red blend is the NV11 Cain Cuvée complete with a new label look – a subtle, sophisticated evolution mirroring the elegant evolving nature of wine within.
